[Owner's or Custodian's Company Name]
VGP Voyage Log

Vessel General Permit Compliance

Vessel Name: _____

Instructions: **Use this log to record the towing vessel's voyage(s). REF: VGP 4.2, #2 "Voyage Log must be maintained, including dates and ports of arrival, vessel agent(s), and last and next ports and countries of call (when known)"). *Note: Log country name if not USA.**

Voyage Number	Arrival Date	Agent(s)	Arrival Port and *Country	Last Port and *Country of Call	Next Port and *Country of Call

This document must be kept for a period not less than three years after the termination of coverage under the VGP.

This form was developed as a sample that AWO members may use as a suggested guide for developing their own means of recording inspections and other information required under EPA's Vessel General Permit (VGP). The form has not been reviewed or approved by EPA and does not represent any consensus or industry standard regarding how recordkeeping should be done. Companies are under no obligation to use this form, and each must decide what manner of recordkeeping will help it meet the requirements of the VGP.
