

Thank you for your response. The use of the DOT Alcohol testing Form is not permissible for any Cost Guard required alcohol testing. Please contact your alcohol test equipment manufacturer to obtain non-DOT alcohol testing forms.

If I may be of further assistance, please let me know. Bob

Mr. Schoening

Canal Barge Company confirms receipt of your e-mail of 2/25/08 regarding the use of DOT forms for alcohol testing. Effective immediately we will no longer use DOT alcohol forms for alcohol testing except as prescribed by the USCG regulations. Please contact the undersigned or Steve Brundrett if you have any questions or if the above response is not satisfactory to your request.
