

Barges are Beautiful...

For American Jobs.

America's tugboat, towboat
and barge industry:

- Provides good paying, family-wage jobs for Americans, jobs that cannot be outsourced
- Offers excellent career opportunities for hard-working Americans
- Fosters hundreds of thousands of American jobs that depend on waterways transportation, and directly employs over 30,000 Americans on our vessels
- Contributes to America's economic, national and homeland security because our vessels are American-owned, American-built and American-crewed
