

****IMPORTANT INFECTION CONTROL QUESTIONS PER CDC
RECOMMENDATIONS: ****

1. Do you or anyone in your household have/had a fever (100.4 or greater), chills, cough, congestion, and/or shortness of breath over the past 14 days?

2. Have you or anyone in your household had Close contact or Direct contact with any person confirmed positive or being investigated for (test Pending) Coronavirus-19 (COVID-19) in the past 14 days?

Close contact is defined as-

being within approximately 6 feet (2 meters) of a COVID-19 case for a prolonged period of time; close contact can occur while caring for, living with, visiting, or sharing a healthcare waiting area or room with a COVID-19 case

– or –

Direct contact is defined as-

Direct contact with infectious secretions of a COVID-19 case (e.g., being coughed on)

3. Have you or anyone in your household been in large social gatherings where known positive COVID 19 cases have been confirmed (i.e. conventions, church, cruise ship, etc.) in the past 14 days?

See link below for latest endemic areas.
